Don't have a TICA registered cat? No problem!

All cats are welcome on a TICA show!

If you wish to claim TICA titles and use the points from the first show, you need to TICA register your cat by the 2nd show you enter.

If you have bought a TICA registered cat and transferred it to another organisation, this cat is still registered in TICA.

You do not need a show license to enter a cat into a TICA show.

You do not need to be a member of TICA or a TICA chartered club to enter a TICA show or to register a cat in TICA.

If you have an ANB or PNB breed (see list below) or a Korat, your cat need to be registered in TICA before it is show for the first time. The cost for registering a cat in TICA is \$18 for non members. Contact NORTICATS if you need help to get your cat registered in TICA:
